Art Novelties

Goss' Heraldic Porcelain.

Goss' Heraldic Porcelain is known throughout the world. The new specimens not only fully maintain the high standard of excellence previously set up, but are, if possible a shade in advance.

The Local Agency for "Goss" is at the ANCIENT HOUSE, where a full range of shapes and models may be seen, each well calculated to please the eye and delight the artistic mind.

We anticipate with pleasure an early call from you to inspect this really fine collection, the choice of which has been guided by a sense of "Art for Art's sake."

Collectors are warned against many inferior imitations, mostly of foreign manufacture that are being offered to the public. They should insist on seeing the name, "W. H. Goss," on the bottom of every piece, with the Goss Crest—a Falcon.

Sole Agent for Ipswich and District:—

W. E. Harrison,
